

Four Corners Ward

2026 Mission Plan

We all know that member participation in missionary work is vital to achieving both conversion and retention. President Thomas S. Monson has said “Now is the time for members and missionaries to come together... [and] labor in the Lord’s vineyard to bring souls unto him. He has prepared the means for us to share the gospel in a multitude of ways, and He will assist us in our labors if we will act in faith to fulfill His work.”

Dallin H Oaks Oct 2016

As member missionaries we can:
Pray daily for our own missionary opportunities to introduce them to our full time missionaries.

Grow our testimonies through daily gospel study and service to others

Expand our circle of friends, nurture these relationships, exchange religious ideas respectfully, and extend invitations to learn more about the Gospel of Jesus Christ.

Come to church each week looking for opportunities to reach out to new faces, to those who appear to carry burdens, are lonely, or need encouragement.

Individual and Families

Ward members are encouraged to develop their own plan tailored to their individual strengths and circumstances.

Your plan may include:

1. Have the full-time missionaries in your home or by Zoom at least once a month for an evening appointment.
2. Accompany our full-time missionaries on lessons.
3. Invite a friend or family member to at least one ward activity
4. Discover new ways to share the gospel using social media
5. Invite a Friend on a Temple Tour

Love

Sharing the gospel begins, as everything in the gospel does, with love.

Share

We share love, time, experiences and church programs to bless God’s children and help them draw closer to the Savior
